

## Union/Heritage Swim Team Fundraiser

Parents,

We are kicking off a new fundraiser this year using the 'Snap!' program that allows us to use email, social media, and text messaging to quickly raise money for our team. All that is asked of each participant is that they gather 20 or more email addresses of family, relatives & potential supporters that may be willing to donate to our cause.

**Your contacts are strictly private & protected;**

They will simply receive a personalized donation request on behalf of your athlete during our 3 week fundraiser. If you could please help your athlete complete their Homework Steps below this would be a huge help to our program. We really need full participation in order to reach our team goal.
